Corry, Pa.

Dear Brian & Cindy:

We would like to thake this oppportunity to say "Thank You" for the selfless way that you helped us with transportation shortly after the storm and when our vehicle was out of town. We believe that God answers prayer even before that prayer is offered and you were certainly an answer to prayer.

We feel that the service as provided is a valuable service in that it gives victim and workers alike a chance to take a break, and get some refreshment at the same time. It also gives us a chance to become acquainted with people and assess their needs so that we may help in other ways.

On their behalf, thank you for being so available and ready for service.

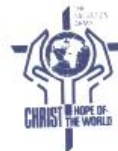

May God bless you and yours abundantly.

Very cordially yours,

*Kenneth Reeves*
